

AUSTRALIAN ALPINE CLUB FALLS CREEK

Lodge Rules

The following rules are necessary to keep our lodge and its fittings in the best possible condition and to ensure everyone's enjoyment of the lodge facilities

In a pandemic or other emergency situation, some of these rules may be overridden by directions of the Manager or Committee or a safe operating plan.

Behavior and Respect

1. Members are responsible for the supervision, and the behaviour, of their children
2. Members are responsible for the behaviour of their guests
3. Children, whether members or guests, must be under the supervision of an adult at all times. It is not the lodge manager's role to supervise children
4. Members and guests are to respect and act in accordance with the requests of the Lodge Manager at all times
5. Occupants must not change from their allocated rooms without the expressed permission of the Booking Officer and/or the Lodge Manager. Official room allocation on the whiteboard may differ from the provisional allocation on your booking slip
6. Members/parents are responsible for the behaviour of their children in the games room & TV room, including tidiness. The TV room has been designed as a quiet TV viewing area

Duties

1. All bedrooms are to be vacated by 10am on the day of departure.
Please use the following as a check list:
 - Strip bed linen & doona cover and take to laundry
 - Take towels and bathmat to the laundry
 - Fold doona & blankets neatly and place on bed
 - Empty rubbish bin (wash bin if necessary)
 - Clear & wash refrigerator shelf & food cupboard
2. The last person to retire at night must turn off sound equipment and all the lights
3. Firewood periodically needs to be brought to the wood cupboard from under the kitchen, via a trap door. A human chain makes this task much easier, so the lodge manager will advise when members and guests are required to help
4. Keep the common areas clean & tidy, vacuuming if necessary

Kitchen

1. All crockery and cooking utensils in the kitchen and lounge must be cleared and washed immediately after use. You are responsible for
 - Scrubbing utensils & plates before stacking in dishwasher
 - Emptying dishwasher and putting dishes & utensils away
2. Separate rubbish into food scraps, recycling and other. When recycling, living and garbage bags are full, tie up and take down and leave just inside the front door. Replace the liners with the appropriate bags: clear/red for recycling, clear/green for food scraps and black for other.
3. A tray in the refrigerator has been allocated to each room. If you need more space, please use the plastic crates on the balcony

Lodge Rules (continued)
